

AGREEMENT
between
Fondazione Istituto Italiano di Tecnologia (IIT)
and
University of Tehran

Fondazione Istituto Italiano di Tecnologia, whose address is via Morego 30 16163 Genoa, Italy in the person of Prof. Roberto Cingolani, Scientific Director and University of Tehran, College of Engineering whose address is 16 Azar St., Enghelab Ave, Tehran, Iran, here represented by Prof. Mahmoud Kamarei, Chancellor, agree that Mr. Mohammad Reza SABAAPOUR (born in Shooshtar, Iran, on 22/09/1982) will have access to the IIT Advanced Robotics Department in order to study on "Analysis of dynamic turning motion in biped robots and design of a turning controller for the humanoid robot COMAN". The study will be done under the supervision of Dr. Petar Kormushev and Professor Darwin Caldwell from 28 April 2014 to 27 October 2014.

For the full period of his stay at IIT, Mr. Mohammad Reza SABAAPOUR will be required to observe all health and safety rules adopted by IIT as established by the Italian Law d.lgs. 81/2008 and its amendments.

Mr. Mohammad Reza SABAAPOUR is bound to ensure full confidentiality of all the confidential information acquired in relation to the study above stated.

The University of Tehran confirms that for the whole period of his stay at IIT, Mr. Mohammad Reza SABAAPOUR is registered as a student at the University of Tehran and is fulfilling all the requirements according to both the provision of law and the national social security system of Iran.

For the period of Mr. Mohammad Reza SABAAPOUR staying above indicated, IIT will provide a full insurance, with a third party liability insurance, covering his work at IIT for any disability arising from accidents, while at IIT premises.

In the event of working accident occurring during the whole period of his staying at IIT, The Fondazione IIT will immediately notify the University of Tehran to allow complying with the required procedures within 2 days.

IIT will take care of all the necessary administrative tasks needed for the INAIL (Italian National Institute for accidents at work) insurance.

Other than the insurance expense, IIT will not assume charge of any other possible costs arising from the present agreement.

Both Parties agree to notify each other in a timely fashion of any possible modification may occur to what above agreed.
