

College of Engineering
University of Tehran

MEMORANDUM OF UNDERSTANDING

between

WRIGHT STATE UNIVERSITY

and

College of Engineering, University of Tehran

This Memorandum of Understanding (MOU) is an agreement between Wright State University, a nonprofit educational institution (or its agent) of the State of Ohio, 3640 Colonel Glenn Highway, Dayton, Ohio 45435, United States of America; and College of Engineering, University of Tehran.

The purpose of this MOU is to build friendship and goodwill and foster a relationship that will promote intellectual exchanges with an international focus between students, faculty members and administrators of College of Engineering, University of Tehran and Wright State University.

In an effort to internationalize the life long learning process, both parties are now prepared to participate in a formal exchange program that seeks to promote an academic exchange and to provide collaboration in research efforts.

These exchange programs encompass, but are not limited to, the promotion of:

- Exchange of scholars (professors, lecturers or researchers) and students
- Organization of joint research programs
- Establishment of joint programs
- Other academic exchanges to which both institutions agree

The implementation of any and all exchange programs will be separately negotiated and determined by both institutions by way of separate agreement.

Participation in the exchange programs will continue as long as both institutions deem the experience mutually beneficial. It is the intent and desire of both institutions to continue to develop international relations and intellectual growth through the exchange of people and ideas.

It is understood that other institutes or departments of both universities can join this MOU providing that both partners agree.

College of Engineering
University of Tehran

WRIGHT STATE
UNIVERSITY

College of Engineering, University of Tehran and Wright State University affirm this agreement by signature of officials of each institution authorized to enter into such agreement.

This MOU will become effective on the date of signing with a review of the balance of parity on the exchange on June 30, 2017, unless one of the contracting parties wishes to terminate this MOU with six months notice to the other.

Each institution shall designate an individual who will serve as the contact person for this MOU. The contact person will be responsible for coordinating the specific requests of the exchange program.
