

University of
TEHRAN

Memorandum of Understanding
Between
School of Electrical and Computer Engineering
University of Tehran, Iran
And
EECS International Graduate Program
National Chiao Tung University, Taiwan

ARTICLE ONE

School of Electrical and Computer Engineering at University of Tehran and EECS International Graduate Program at National Chiao Tung University agree to cooperate in the following areas:

- faculty exchange
- student exchange
- exchange of scientific and teaching materials
- joint supervision of research projects
- dual degree
- conferences

ARTICLE TWO

Both parties are committed to fostering joint projects in the field of education and research and are open to any form of potential cooperation.

ARTICLE THREE

The mutual exchange, specified in Article One, shall be kept balance in numbers in every five years. Both parties agree that specific details of cooperation necessary to implement this agreement must be negotiated by written agreement with each other.

ARTICLE FOUR

Scientific exchange shall be realised on the basis of cooperation of the Faculties or Departments.

ARTICLE FIVE

School of Electrical and Computer Engineering on behalf of University of Tehran and EECS International Graduate Program at National Chiao Tung University are responsible for coordination of all activities related to implementation of this agreement.

ARTICLE SIX

The agreement shall take effect from the last signature for a period of five (5) years. It may be renewed every five (5) years thereafter upon the mutual written consent of both parties.

ARTICLE SEVEN

Either university may, by prior notice in writing of no less than six (6) months, terminate this agreement. The exchange activities which have been commenced under this Agreement shall not be affected by the termination thereof.
